## Allen Bogenschutz Joins LogistiCare as Director of Risk Management and Insurance

**ATLANTA** – LogistiCare announced today that Allen E. Bogenschutz has joined the company as director of risk management and insurance. He will report to Steven Russell, chief financial officer.

Bogenschutz comes to LogistiCare from Marsh USA Inc. where he worked the last four years as a team leader responsible for the formation and direction of Marsh's Atlanta Transportation Specialty operation. His significant responsibilities included developing business plans, coordinating sales efforts, directing client management goals, developing markets and developing the budgeting process.

Bogenschutz' previous experience includes stints with Palmer & Cay, where he worked as a producer, responsible for generating new business. He spent five additional years with Marsh, working as part of the sales team in the insurance brokerage division. And, he was with Liberty Mutual Insurance Company as a senior commercial property and casualty underwriter with responsibilities for risk selection by hazard analysis, loss control evaluation and competitive pricing of both prospective and existing policyholders.

Bogenschutz is a graduate of the Georgia State University with a bachelor's degree in risk management and insurance. He also has earned the designation Chartered Property and Casualty Underwriter from the Insurance Institute of America.

### About LogistiCare

Headquartered in Atlanta, LogistiCare is the nation's leading provider of specialized transportation network management. The company's government clients include state Medicaid agencies, Medicare HMOs, school boards, transit and paratransit authorities. Health care sector clients include hospital systems and many of the nation's largest managed care organizations.

With its market innovation, proprietary software, and proven record of creating budget stability and program integrity, LogistiCare is well known as the leader in improving non-emergency transportation programs. On an annual basis, the company manages a national network of more than 1,700 transportation companies that deliver more than 13 million trips to customers annually.
