LogistiCare Names Windy J. Brooks as New Controller

ATLANTA – Windy J. Brooks has joined LogistiCare as the company's new controller. Brooks will be based at the corporate office in Atlanta and will report to Chief Financial Officer Thomas Oram.

Prior to joining LogistiCare Brooks served as controller for MedQuest Associates Inc., a medical diagnostic imaging company in Alpharetta, Ga., where she oversaw all accounting and finance functions including SEC reporting, G/L (month-end/quarterly/annual close), financial analysis, budgeting, A/P and payroll. Brooks started with MedQuest in 1998 as accounting manager and was promoted to controller after just two years.

Brooks' other professional experience includes accounting management positions with several Atlanta-area companies – Vanstar, an integrated computing solutions company, and Simmons, the mattress manufacturer. She also was a regional financial analyst at Honeywell.

Brooks earned a Bachelor of Business Administration degree in accounting from Georgia College in Milledgeville, Ga., and she is a certified public accountant (CPA).

Brooks replaces Kelly Vining, who has shifted to a new role as corporate director of operations/underwriting.

About LogistiCare

LogistiCare is the nation's leading transportation management solution. Proprietary software, innovative strategies and a proven record of creating budget stability and program integrity distinguish LogistiCare as the leader in improving non-emergency transportation programs.

From its corporate office in Atlanta and numerous state-based locations nationwide, LogistiCare manages a national network of more than 800 transportation companies that provide more than 11 million trips to customers annually. LogistiCare's clients include state Medicaid agencies, school boards, transit authorities, hospital systems and many of the nation's largest managed care organizations.
